WELCOME TO MED SOUTH PRIMARY CARE!

Please take a minute to review our payment policies. Our receptionist or office manager will be happy to answer any questions that you have. Below you will find a list of payment policies set forth by our billing service.

PAYMENT POLICIES:

All charges that you incur at our office are your personal responsibility to pay. You may pay for your charges in full at each visit or, AS A COURTESY, Med-South, will file it to your insurance for you.

We require you to pay any unmet deductible at each visit. All co-insurance or co-pays must be paid at each visit.

All payments to Med-South are considered deposits against your outstanding balance. No refunds will be made as long as there is an outstanding balance on your account. Any money over paid will be considered a credit to your account and can be applied to your next visit.

Med-South will notify you of any charges that your insurance company declines to pay and ask that you make payments to Med-South in a timely manner.

Med-South will use their best efforts to obtain payment from your insurance company. However, any charges that remain unpaid 60 days after billing become your personal responsibility to pay. Any fees left unpaid (90 days after billing the patient) will be turned over to our collection's agency, CBA of Macon.

Any bills that you receive from the lab are not handled through Med South. Our phlebotomist draws blood that gets sent to either Quest or LabCorp, any fees owed to the lab would be paid directly to them. Every insurance company has a preferred lab that they use. We do our best to assist patients with lab requisition orders; however it is solely the patient's responsibility to know which lab their blood work should be sent to. You can contact your insurance company to find out which lab is preferred for your plan. Any questions you have about a lab bill will have to be handled through the lab.

Your insurance company must allow you to have reimbursement payments sent directly to Med-South. If your insurance company does not allow this we require that you pay for all treatment at the time of your visit.

I HAVE READ AND UNDERSTAND MEDSOUTH'S PAYMENT POLICIES.

APPOINTMENT POLICIES

- APPOINTMENTS are called back by the appointment time, not the arrival time. If others are being called back before you but arrived after you, please keep in mind that their appointment time may be before yours on our schedule.
- WORK IN appointments will be seen after the scheduled patients, so you may experience a longer wait time than usual if we are working you in. If you are sick, please call the office as soon as possible so that we can give you our next available time slot.
- NO SHOW patients are responsible for a $30 NO-SHOW fee.
- CANCELLATIONS need to be made 24 hours before your appointment time, or there will be a $30 NON-CANCELLED fee.
- INSURANCE must be updated upon each visit so that we can properly file the claims. It is the patient's responsibility to notify us of any change of insurance, secondary insurance or supplemental insurance.
- **SCHEDULED PATIENTS are the only ones allowed in the room with the physician. We do make exceptions for minors, elderly, and handicap needing assistance.**

PRESCRIPTION POLICIES

- REFILLS will not be authorized after hours.
- NARCOTICS are not called in. The physician will make the decision of prescribing them based on medical records, MRI reports, x-rays, etc. You will be asked to come in for appointments once a month with a drug screen test performed in order to receive refills.

WAITING ROOM POLICIES

- CELL PHONES are asked to please be silenced while in the lobby and while in the exam room with the physician.
- FOOD/DRINKS are not allowed in the office. No exceptions.

OTHER POLICIES

- FORMS completed or LETTERS written by the physician have a $25 fee.
- REFERRALS require a 72 hour notice before the scheduled appointment. Insurances vary on turn-around time and some referrals do not get approved right away. We cannot complete them same day.
